

FALL KIDMIN GAME LIST

Pass the Pumpkin

- Kids will sit on the floor in a circle and begin passing a small pumpkin around.
- When the leader says stop, whoever is holding the pumpkin will share their favorite thing about fall.
- Keep playing until everyone has had a chance to share.

Harvest Basket

- Each kid will be assigned a “harvest” item: apple, pumpkin, carrot, cranberry, or pomegranate.
- Have each kid sit in a chair in circle. One kid will stand in the center and call out harvest items. They can call out individual harvest items or say “harvest basket” to make everyone stand up.
- When a kid’s harvest item is called, they must jump up and run to another chair. The kid in the middle will try to sit in one of the chairs first.
- The kid who is left standing will call the harvest item for the next round.

Fall Follow

- Kids will stand up and spread out.
- The leader will teach them some basic “fall actions” to follow: twirl like a falling leaf, roll like a pumpkin, scamper like a squirrel, crunch like an apple, fall like an acorn, stomp like a rainstorm.
- The leader will continue to give kids actions including the “fall actions” listed above until the kids are worn out.
